## CYNTHIANA NEWS.

CYNTHIANA - SEPTEMBER 22, 1870

A. J. MOREY, EDITOR.

### DEMOCRATIC CONVENTION.

On next Tuesday the democracy of this the 6th Congressional District will meet at Walton, in Boone county, next Tuesday, the 27th inst., to nominate a candidate for Congress.

### A RAIL ROAD MASS MEETING.

The Friends of the Cincinnati and Southern Rail Road, in Kentucky, will meet at Lexington, on October 10th, where speeches will be made by some of our leading men. Every body should go who desires to see the country prosperous.

### RED RIVER PEOPLE.

We have been watching the Red River people ever since they made an attempt to "keep house" by themselves and since they snapped their fingers defiantly in the face of Queen Victoria and her society, and find them just now in a disorganized and wandering condition. On the approach and occupancy of that country by the British troops, Riel, the Revolutionary governor, with most of his followers emigrated to United States soil. Those persons, who remained and who were concerned with Riel have been arrested and imprisoned. Of course Riel will do all the mischief he can, but that won't be much.

### ROME.

The Italians are now in arms and moving on to Rome. They are commanded by Cavour, and in their path to the eternal city, blood is found. The people of Italy, as well as those of France are determined to be free and we hope they will never cease to struggle until the banner of freedom shall float from every hill-top. His Holiness, the Pope will be compelled hereafter to devote his entire attention to spiritual affairs, and not so much to temporal, which will no doubt be a welcome relief to His Highness. Off with a few more of the heads of these potentates, and then, by St. Paul, we will have more peace and less bloodshed and sorrow in the world.

### THE SIXTH KENTUCKY DISTRICT.

At a meeting of the Democracy of the county of Robertson, held in the Court-House at Mt. Olivet, on Monday, the 19th day of September, 1870, being County Court day, on motion of Dr. E. M. Taylor, S. T. Hamilton, Esq., was called to the chair, and C. C. Davis appointed Secretary.

The Chairman of the Democratic Executive Committee announced that the meeting was called for the purpose of selecting delegates to attend the Walton Convention to nominate a Democratic candidate for Congress in the Sixth Congressional District of Kentucky.

On motion a committee of one from each precinct in the county was selected by the chair to report back to the Convention a list of delegates to attend said Convention. The Committee reported the names of the following delegates to said Convention, viz: W. W. Prather, A. S. Miller, John McDowell, Ninrod Cummer, A. R. Woodward, James C. Humble, W. W. Vanhook, E. M. Taylor, Joseph Duncan, N. F. Overby, S. G. Rogers, James Anderson, Alternates, Perry Wheeler, John Rice, Stark Wheeler, George H. B. Thompson, John S. Henson, Charles Bramell, S. T. Hamilton, S. W. Craft, S. C. Clarke, Neil Ballingall, Nelson Steel, Madison Newman.

On motion, it was resolved by the Convention that the delegates from the county of Robertson be instructed to vote as a unit in the Walton Convention for Thomas L. Jones.

### CENSUS TAKING.

After the 25th of September, 1870 the labors of the United States Marshalls, will to a certain extent be finished, and if there are any individuals in Harrison county, who have not been listed, it is their duty as good citizens to report themselves and the number in their families to Mr. Dickey—one of the U. S. Marshalls.

### THE HARRISON FAIR.

Our Fair came off last week, and we present to our readers the premium list and to whom the awards were made. This meeting of the Association was one of the largest we have ever attended, as well as one of the most agreeable. Our President, Mr. J. H. Gray, assisted by the Director, adjudicated affairs in a manner most satisfactory to all who offered for premiums at our Fair. The amount of cattle, sheep and hogs shown was larger than heretofore; and the show of horse stock never has been equalled. The Ladies adorned Floral Hall splendidly with their work, and furnished and spread bountiful dinners for the stranger; in fact we heard a general expression of satisfaction from all quarters.

The crowd in attendance was very large, and with the exception of one day fair and pleasant.

Mr. Good, on Pike st., is the agent for the Singer Sewing Machine. It was exhibited at the Hall and took the premium over all others. It is worthy of it.

Dr. J. J. Adair took a premium on Native Wine. It is an excellent article.

Mrs. N. E. Wilson sent a loaf of splendid Wheat Bread for exhibition for which she received a premium.

## CYNTHIANA NEWS.

CYNTHIANA KY.

THURSDAY, SEPT. - - 22, 1870.

## LOCAL MATTER.

### Take Notice.

All persons having notices in this column will be charged 20 cents per line.

### For Sale.

A number of papers for sale at the News' office for \$1.00 per hundred.

### Concert in Cynthiana.

Orphan's Home, Lexington, Mississippi, Oct. 22, 1870 says the Louisville Courier-Journal, especially those in this city, well remember the touching appeals of Mrs. Reed and others soon after the war in behalf of the Mississippi Orphan's Home and the liberal contributions which followed from our citizens. We learn that Mr. A. D. Trimble, here in the city yesterday, and are enjoying the unrestrained hospitality of our leading citizens. Mr. Trimble is desirous of putting the institution on a permanent basis, and proposes to give a concert (not a show) for that purpose. Mr. Trimble is a Christian gentleman, indeed, one of the tenderest souls I ever met, and we heartily wish him every liberal reward to his thirty moving arguments.

The Concert will be given in this city on Tuesday Evening 27th, and arrangements will be made by Rev. S. L. Helm, who will be here in a few days for that purpose.

A lot of new Advertisements are unavoidably left in the news, shall appear in our next issue.

### Burge Potatoe.

Robt. Scott, Esq., has laid upon our table a sweet potatoe which weighs five pounds and a half. It is a large Yam.

### Shooting Attry.

The Danville Advocate says: That last Tuesday evening Frank Schoaf was shot by E. R. Price, at Shelly City, and died on Wednesday night. Some months ago they had a difficulty, and exchanged shots without effect, and were put under bond to keep the peace.

### Police Court.

The following named persons have been fined for disorderly conduct, and other misdemeanors, since our last report:

Worth Rutherford, \$2 and cost. By order of Council.

### County Court Day at Georgetown.

Last Monday was Court day in Georgetown, and A. W. Lydick, Auctioneer, informs us that there was but little stock on the market. About 200 head of cattle mostly inferior, selling low. There was some inquiry for good feeding steers; a few mules, yearlings and colts offered but few sold. Good horses sold at fair prices; pigs low. It is very dry in the vicinity of Georgetown, and much complaint is made among the farmers about stock water and grass.

### Covington Items.

We clip the following from the Cincinnati Enquirer:

In the contest for the Congressional nomination in the Sixth Kentucky District Mr. Jones claims 142 instructed votes against 117 for Arthur, with Grant county yet to hear from 19 votes. In a vote at Petersburg the other day Arthur received 9, Jones 78.

Mr. Frank Woods, the young man who was knocked down and robbed, on the Bank Lick Turnpike, about two miles from the city, on Sunday night last, has been speechless ever since the occurrence. He received a very heavy blow on the head from a shotgun in the hands of the villain who attacked him.

### Whisky Statistics.

The following is a statement of the amount of spirits in bond and in distillery warehouses in the Sixth District of Kentucky, September 1, 1870:

Total, 963,763 Gallons.

The amount of spirits withdrawn from distillery warehouses on which tax was paid in the month of August, 1870, was 125,952 gallons; and the amount of spirits manufactured and deposited in distillery warehouses during the same month last year was 195,705 gallons.

The South Carolina State Fair opens November 9th, at Columbia, and will be continued for four days. J. H. Zellin & Co., Macon, Ga.

### Town Talk.

The town is quiet and reduced to business and settlements since the Fair.

We are pleased to announce that no difficulties occurred in Cynthiana during the Fair.

The Hops at the Smith House last week were good, and well attended. Beauty and Chivalry were there.

The Criminal Court for this county commenced last Monday in this city. Judge Boyd on the bench, and the Commonwealth's Attorney, Mr. Duncan, is on hand and attending to business.

The nights are longer than the days, in Cynthiana.

Paws-paws are for sale in Cynthiana.

The police court is lively.

Dead Beats—people who never pay what the owe—are not as plentiful in Cynthiana as usual.

The Germantown Fair is in operation this week.

Wm. Magee has gone back to Kansas City.

T. V. Dills has removed to St. Louis.

M. D. Whitteker, better known as "My Position," is making wattle brandy of the best kind.

The market house question is being discussed in town.

The roof of the Methodist Church is being put on.

The Fifty-Cent Star has left town and the house is for rent.

Suitu, he of the tin and stove establishment took two premiums last week, one on "Early Bird," and another on "Excellent" two stoves of an unusual good quality.

The Harrison and Cynthiana people have some two million dollars worth of whisky locked up in store-houses.

Mr. Alexander, a prominent lawyer of Paris, is in Cynthiana.

Farnham was well represented at our Fair last week.

Licking River is low.

Shooting inside of the corporation of Cynthiana after dark is too common. Can it be stopped?

Ed. Hensley, Esq., of Frankfort, is in Cynthiana.

Driving our Fair a young man from Paris, named Henry, about 18 years of age, included as everybody had, gone to the Fair to take a look through a few of the homes abandoned during the day, and see what he could find. The first house he looked through belonged to Monroe Devers, who was in a field near by, but his wife was at the Fair. Henry dressed himself in Devers' Sunday cloths and finding no money, started for another house. He had not been gone long before Mr. Devers went home and there found that a thief had been there, and he immediately followed in his tract and found the rascal at John Reneker's house, going through the business as at D's house. The thief was called to order by Mr. D., who stood at the door with a hammar under his sleeve when the thief approached and took him by the throat which held him released as soon as he was slightly tapped on the head with that hammar. Mr. D., then bound him and brought him to Cynthiana, and lodged him with Mr. Webb. He should be learned a trade.

W. W. Kimbrough, Esq., has been appointed Internal Revenue Gugger for 6th District.

An exact and perfect picture of that good man, Bishop Forsythe, was displayed in Floral Hall. It was painted by our excellent friend Eshelman. We know of none in this country who can be better.

Mrs. Cummings of this city, had her pockets picked some two weeks since. She lost, sixty dollars and some valuable papers which she desires returned, as they are of no value to others.

The Lexington Fair begins next week.

The daughter of a post master in Harrison county, ran off during the Fair and married a stranger, whom she had fallen in love with. We hope she has done well.

### Large Cat.

The Carlisle Mercury says that Ben Robinson, of that place, has a large cat which weighs only fifteen pounds, yet is sound and sticks. Robinson has been offered sixty dollars for it. It is so small that it can be carried in an ordinary water pail.

Kentucky Annual Conference of the Methodist Episcopal Church South.

The Kentucky Conference of the Methodist Episcopal Church South met in the Scott-street Church, in Covington, on Friday, September 16th, at nine o'clock, Bishop Robert Paine, of Mississippi, presiding. The Bishop, on calling the Conference to order, said:

"I congratulate you, brethren, on the assembling of so many of you together. The prime object of such a convention as this is the promotion of the glory of God, and the improvement of ourselves in piety. You have met to legislate concerning the interests of Christ's Church, and you should feel the dignity of your convention. You will be prompt, dignified, courteous and prayerful.

"I have come to you from a laborious season of holding District Conference in the South. It gives me great pleasure to say that the church is recovering from the shock of war, and entering upon a course full of promise of a prosperous spiritual future.

"It has been many years since I presided over your Conference but I remember a few of those whom I have known upon the occasion of former visits. Many have fallen asleep, and others have been transferred to other fields of labor. I am happy to meet with you again, and to learn that those who have passed away have gone in triumph, and are now receiving the reward of their labors, and that those who survive have preserved their ministerial integrity, and are true and faithful heralds of the cross.

"I hope you will not regard our Conference in a purely business aspect, but look for spiritual blessings upon your own hearts and in the salvation of sinners."

The Bishop then proceeded to organize the Conference. The roll was called, and about seventy ministers and twenty laymen answered to their names. The Rev. T. F. Vanmeter was elected Secretary, Rev. W. T. Farmer was elected Assistant Secretary, and the Rev. S. E. Letton elected Statistical Secretary. Hall past, eight A. M., was fixed for the hour of meeting, and twelve M. the hour of adjournment.

Upon motion, the Rev. C. W. Miller was appointed to prepare rules for the government of the body.

The following Committee on Public Worship was appointed: The Presiding Elder of the Covington District and the President of Covington and Newport.

The bar was fixed from the further edge of the second window from the pulpit.

The Rev. C. W. Miller moved that instead of the usual method of appointing large committees, that the Conference appoint a chairman of each committee, usually appointed that the Conference meet in the afternoon to consider the various topics in a committee of the whole, and that, during the deliberations on each subject, the chairman appointed by the Conference in regular session shall preside. Adopted.

A chairman of each of the following committees was appointed:

On Education, H. A. M. Henderson; on Sabbath schools, John Cochran; on Memoirs, D. Wellburn; on Public, G. S. Savage; on Matte and Manner of Preaching, H. P. Walker; on Temperance, J. C. Morris; on Popular Amusements, H. H. Coleman; on Books and Periodicals, C. W. Miller.

It was understood, after an interchange of views, that the subject of missions, would receive a large share of attention. The Conference having a Missionary Society over which the Rev. G. W. Merritt presides, no committee on this subject was deemed advisable.

A communication was received from the Rev. Stephen Noland, resigning his office as Missionary Treasurer, and asking for a superannuary relation. The Rev. W. W. Chamberlain was elected Missionary Treasurer.

The annual report of the Publishing House Agent was read. It exhibited the assets of the House to be \$23, 224 57, and that the fortunes of the House have increased more than \$15, 000 since the last annual fiscal report.

Rev. A. G. Haygood, D. D., Sunday-school Secretary of the General Conference, was introduced, and made a brief address. He stated that the Sabbath-school Visitor, edited by the speaker, had a circulation of forty thousand, and he hoped it would increase to one hundred thousand.

The following visitors were introduced: B. M. Moss, Joseph Redford and Thomas Lewis, of the Louisville Conference, and the Rev. Mr. Hyman, late of the Lutheran Church.

It was resolved that the Conference, during the examination of Ministerial character, sit with open doors.

The second question was taken up, namely: "Who remain on trial?"

The name of William L. Corbin was called and he was discontinued but the Presiding Elders were granted permission to employ him if it should be deemed expedient by any one of them. The names of Joseph N. Current and D. W. Robertson were called, and they were continued on trial.

A letter was read from H. R. Blaisdell, explaining his inability to attend, announcing his preparedness to stand the required examination, and asking for continuance on trial. His request was granted. James Holmes was continued on trial.

The symptoms of Liver complaint in the sick continue, the pain is in the shoulder, and is mistaken for rheumatism. The stomach is affected with loss of appetite and sickness, bowels in general constipated, sometimes alternating with lax. The head is troubled with pain and dull, heavy sensations, considerable loss of memory, accompanied with pain in the head, and loss of strength which ought to be the reverse. Of an complain of weakness, debility, and low spirits. DR. SMITH'S "ELECTRIC OIL."

It cures Sick Headache in twenty minutes. Headache, Salt Rheum, Rheumatism, Erysipelas, Fibras, Cramps, Neuralgia, Cancers, Fibros, Fibros, Cuts, &c. Twenty drops the largest dose. No alcohol, Capsicum, Camphor, or Water in it.

From the Largest Drug House in Boston.]

We have sold a large quantity of DR. SMITH'S "ELECTRIC OIL" which is spoken of with the highest praise. Good reports from every bottle. WELLS & POTTER, Wholesale Druggists, 151 Washington St., Boston.

Thousands of dollars are lost in time by farmers and business men, when a few drops expended for the proper remedy at the right time, would have saved all pain and trouble. Pain is but a friendly companion, and nature warms us in time. Some men are skeptical and selfish, others hopeless and ignorant have the right to expect and to comfort a child or the poor ignorant. The rich can travel 1,000 miles and pay \$1,000 fees, care or no care. But Wil not the Poor?

When on earth, Christ invariably commended every good work; the act of Good Samaritan, and all useful and efficient labor for man's amelioration, and He devoted His every waking hour to usefulness, efforting no time for malignant fault-finding and self-seeking.

In that spirit should every one welcome a real benefactor like DR. GALATIA B. SMITH'S "ELECTRIC OIL" of Philadelphia, a remedy so unlike any other known, as to attract the instant notice of medical men and all sufferers.

The greatest medicines are not mercurial, yet still they are potent.
